Speech

It's that time of year once again to start thinking about the fall IESA speech competition. This event is open to all students 5-8th grade. It's a great way to work on those public speaking skills. There are various events that are available to participate in whether it's solo acting, duet acting, improv or small group, think about joining us. We will begin practice the week of September 3. If you or your student have any questions, please don't hesitate to contact me whether text, phone or email. My contact information is [\(608\) 347-0287](tel:6083470287) or smcrhit@hotmail.com.
