After Care

Starting Jan. 4, when school resumes after Christmas break, After Care will only run until 4:30. The need for After Care is not being shown so we are reducing the hours. The fee will then be \$15 for After Care no matter the amount of time.

Also, there will be no After Care on Friday, December 9 for staff Christmas party.

Morning Drop Off

When dropping off students in the morning, please do not drop off on Chatham unless you are leaving at once. Drivers need to stop and drop off student immediately and leave when the students are a safe distance from the vehicle. This keeps the traffic moving smoothly in the morning.

No Buses

On Nov.21 & 22, there will be no bus service due to Metamora grade parent/teacher conferences.

Christmas Program - The Light Before Christmas!

We are very excited to announce we have been working on our Christmas Program in our Music classes! We've chosen a spunky show that takes place in a science classroom and the students learn about the light of Christmas and how the whole story is much larger and started at the very beginning. Cast members (students with speaking or acting roles listed below) will be allowed to wear Christmas Pajamas for their costumes. All other students may wear whatever Christmas attire or fancy dress you deem appropriate!

Our show will be Monday, December 19th at 6:00pm in the Metamora Township High School Auditorium. The Preschool will perform first, then we will have our program of "The Light Before Christmas," We will end the night with a couple of songs from our band students! The entire performance should hopefully only last an hour! We hope to see you there!
