## ***The E-Falcon Newsletter***

**Feb. 16, 2023**

### **Scrip**

The next scrip order will be submitted on Monday, 2/27 with delivery on Thursday, 3/2. This will be the last order before the school auction for anyone needing gift cards for a class donation. Thank you for supporting scrip, PTO, and our school!!

### **Engineering Day at Cat**

Great day of fun activities. The following link contains information on Engineering Day Activities on Sunday, February 19, 2023:

<https://www.peoriariverfrontmuseum.org/classes-programs/free-days/engineering-day>

The main event is the ASCE Index Card Bridge contest which will start at 1:30 in the Giant Screen Theater. This is where each bridge gets loaded and tested to see how much weight it can hold prior to failure (breaking). During the day, there are also tons of organizations/companies set up with all sorts of fun engineering hands on activities throughout the museum. A change for this year is the Caterpillar Visitors Museum will also have free admission.

## Golf Outing Opportunity

With the golf outing preparations fast approaching, a request is being sent out. Cindy Garber would like to be able to turn over her duties as Chairman of the St. Mary's School golf outing in the next couple years. She would like to help train and relieve some of her duties starting with the upcoming outing on Aug. 4.

If you are interested please contact her at [\(309\)360-2809](tel:3093602809) or [garber5@mtco.com](mailto:garber5@mtco.com)

It's a great way to give back and build our school and community!

## Illinois Prairie District Public Library

Illinois Prairie District Public Library wanted to reach out and let you know about an event next week at the Washburn Branch of our library!

We are excited to announce that we are holding an Open House at the Washburn Branch on Thursday, February 23 from 3:00-7:00pm. We are so excited to hold this event to welcome our new patrons from Marshall County! This is not happening at the Metamora Branch, but students might enjoy the fun activities! There will have all kinds of activities for people there including face painting, a balloon artist, raffles and more!

## Sports Update

**Coaches Needed:** First we are seeking an assistant track coach for this spring. Responsibilities would include running practices after school. We will help as track takes many hands with all the various events. We do not expect you to know all events Mrs. Cowling can assist and the high school coaches are also willing to help.

As we finish out this school year and plan for the next, we are in need of several coaches, both head and assistants. If you have a love for kids, have time and talent to develop our young athletes minds and bodies this might be for you. Please spread the word and let people know we are seeking coaches for St. Mary's athletics.

For next school year we are looking at softball, golf, scholastic bowl and track. For further information see Mrs. Cowling.

**Volleyball:** Come out next Tues., Feb. 21 and join us as we celebrate our three 8th grade volleyball players at 8th grade night at Riverview starting at 5:00 pm.
