

St. Mary's School

Education Commission October 2022 Committee Reports

Marketing: Donut Sundays will begin involving more groups and families to help support and expand the event. A new spirit wear logo adding the school falcon mascot has been created to expand the spirit wear choices and should be available to order soon. An additional school roadside sign for the back of another sign has been installed. New roadside signs for the parish are also being installed.

Development and Fundraising: The 2023 auction theme has been chosen as "Rock and Roll". Letters seeking donors and donations will be going out soon. The Bags for Bucks fundraiser has been sent and estimated gross sales are \$6700 with estimated net profit of \$3000.

Planning and Assessment: no report

Facilities: The swing set fall zone project is ready for bids. The swings arrive on 10/13/22 but will not be installed until the fall zone is in place. The gutter project is also ready for bid.

Budget and Resources: Tom Adams from the parish finance committee gave a presentation to the full Education Commission on 9/28/22 on the current school finances and budget for this school year.
