

St. Mary's School Parent-Student Handbook

I verify that I have read the St. Mary's School Parent-Student Handbook. I agree to support the Mission of St. Mary's School and abide by its policies. I understand that parent cooperation is a condition of continued enrollment in St. Mary's School. I understand that these policies may be changed during the course of the school year and that I will be informed of any updates to the current handbook. I have discussed with my child/children who are attending St. Mary's School the information in the Parent-Student Handbook. Furthermore, I have given the handbook to any children I have in junior high and will make available time for them to read the material.
