Paperwork for the 2024-25 School Year

Please be sure that the attached paperwork is turned in for returning students for the coming school year. Ideally this needs to be turned in before the end of this school year. Publicity is one per family, medical is one per child, concussion is one per athlete 4 - 8, athletic participation is one per child in 4-8 and textbook loan is one per child. Please fill out and return by May 22, 2024. **Also, remember that if a form needs a parent or student signature that you sign and date the form. Students in Kindergarten, 2 and 6 need a current dental.**

Water Bottles

Parents: Please be sure that your child brings a water bottle to school each day. It is very important since the weather is getting hot. We have a few in the office to “borrow” but not for every day use. Thanks for helping them remember!

Last day of After Care

The last day of After Care for this school year will be on Wednesday, May 22.
