### **Thank You**

A note from Julie Harper

I can't begin to find the words to thank all of you for all you have done for me in the last 26 years. A special thank you to Fr. Kipfer and Mr. Birdoes for putting on the grand reception that we had; thanks to all who took the time to come and say thank you. I have met so many people by working at St. Mary's and have made so many friends that I wouldn't have had without this community. I am truly going to miss everyone one of the students that I have had and the kiddos that are still at St. Mary's. I am looking forward to seeing all that happens in the lives of these young people. May God keep his loving arms around you and I hope you know that he is always there by your side. God bless each and everyone of you because you have touched me in one way or another.

## **Last Day of School**

On Friday, we are having an all-school Mass at 9:00. After the 9:00 Mass we are dismissing the students. However, due to the lateness of this announcement, Mr. Birdoes will be supervising the students who rides cannot pick up until 11:30. We will spend our time on the playground. If you are unable to pick up at 10:00 after mass and need your student to be picked up at 11:30, contact the office and let Mrs. Harper know.

Congratulations to our 8<sup>th</sup> grade graduate! May they feel God's presence in their lives always!
