

Welcome, Señora Rustman!

We're thrilled to welcome Señora Rustman to the St. Mary's School family.

Raised right here in Peoria, she's a proud graduate of St. Thomas and Metamora High School - where her mom just so happened to be the Spanish teacher! Now she's carrying on that legacy, sharing her love of the Spanish language with our students!

Señora Rustman is married and a busy mom to 4 children. When she's not with us in the classroom, you'll find her cheering from the sidelines, shuttling kids between activities, volunteering her time or enjoying time outdoors.

She also loves traveling, diving into a good book and rooting for her favorite teams - the Chicago Bears and Wisconsin Badgers!

Teaching at St. Mary's on Wednesdays has been the perfect balance - giving her a chance to be fully present both in the classroom and with her family.

Her hope for the school year?

That our students discover how fun and rewarding it can be to learn Spanish - and that they're inspired to explore new cultures along the way!

Welcome, Señora Rustman! We're so glad you are here!
