

Welcome to St. Mary's School, Mrs. Yount!

We are thrilled to welcome Mrs. Michelle Yount to our St. Mary's family as our new addition to the preschool teacher team.

Her educational journey started at St. Vincent de Paul, followed by Notre Dame High School, and later graduated from Ashford University. Before joining us, she gained valuable experience teaching at a daycare and working as a nanny for 13 years.

Outside the classroom, Mrs. Yount loves spending time with her family, taking walks with her dog Cricket, cozy bonfires, reading & staying busy with house projects.

This year her heart is set on helping our littles learners fall in love with school, make new friends, and learn through play - and we can't wait to see the joy and creativity she brings to our preschool program!

Please join us in giving a warm St. Mary's welcome to Mrs. Yount!
