

Meet Ms. Montgomery

We're thrilled to welcome Ms. Montgomery to our St. Mary's Catholic School family as our new Kindergarten teacher!

Originally from Calcutta, India, Ms. Montgomery was adopted and made her way to Illinois where she attended St. Marks in Peoria and later graduated from Bradley University. Her family includes her older sister, mom, dad and fiancé Thomas.

When she's not in the classroom, you can find her cozied up with her cats watching her favorite show - Scooby Doo!

Ms. Montgomery absolutely loves teaching because it allows her to be creative with lessons while getting to know each of her students and their families.

Her hope for this school year?

"To get our Kindergarteners excited about learning and ready to try new things!"

Please join us in giving Ms. Montgomery a warm St. Mary's welcome!
